

THE PRESIDENT'S MESSAGE...

What an action-packed October I just had. Starting with our meeting on October 20th at the Kinsale building hosted by Greg Nachman. Following the meeting we all met up at the Answer Brew pub for a great time of networking. Seems a little strange to say but thank you to ServiceMaster for sponsoring this event. The feedback during and after was all very positive and I think the headcount was around 35-40 folks that enjoyed different beers and great appetizers. Next up for our meeting agenda is an opportunity for our professional members to get a little education mixed in. This event will be held at the Richmond Convention Center and Focus on Facility Security in a our new normal. We have a great line-up of local experts in the field and the 2 hours session can be used toward continuing education, we hope to see many of our professionals there and of course all are welcome.

As I type this World Workplace is in its final day. This was my first time attending as our President. Let me tell you this event was amazing! For our professional members if you have not been to this, I highly recommend you plan on attending soon. The Education is very well thought out and even for a vendor like myself I learned a little bit about your business. From a vendor perspective this was extremely rewarding and eye opening to the big world of IFMA. I will let the professionals that

went along this year speak more to their prospective at our next meeting. Next year is in Nashville Tn...safe to say I will be trying everything I can in order to go for some or all again.

Our programs team is always open to any new ideas for events and facilities to possibly tour so please reach out to Allen or Ashley with your ideas.

As always thank you all for your support and contributions to our group. We look forward to seeing everyone in November!

Chad Bishop

OCTOBER MEMBERSHIP MEETING: Kinsale Insurance Company

On Wednesday, October 20, 2021 members toured the newly constructed 5-story Kinsale Insurance Building in Henrico County. Built by Hourigan Construction and opened in the Fall of 2020. The 150,000 square-foot 5-story office building houses the Kinsale Insurance Headquarters. During our facility tour we heard about the construction of the building and were able to see both an unfinished floor and a finished floor. Following the tour at Kinsale, many went to Answer Brew on W. Broad Street for cocktails & appetizers sponsored by ServiceMaster.
